ARTICLE 18 - Submitted via petition

Do you support the following resolution and request the Select Board to forward it to our US Senators and House Representatives?

WHEREAS nuclear war is not healthy for children or any other living thing;

WHEREAS the detonation of even a small number of nuclear weapons could have catastrophic human and environmental consequences that could affect everyone on the planet;

WHEREAS the United States continues to reserve the right to use nuclear weapons first, which reduces the threshold for nuclear use and makes a nuclear war more likely;

WHEREAS the United States president has the sole and unchecked authority to order the use of nuclear weapons;

WHEREAS the United States, as well as Britain, China, France and Russia, are obligated under the Nuclear Non-Proliferation Treaty (NPT) to take concrete steps toward eliminating their nuclear arsenals;

WHEREAS in July 2017, 122 nations approved the Treaty on the Prohibition of Nuclear Weapons which makes it illegal under international law to develop, test, produce, manufacture or otherwise acquire, possess or stockpile nuclear weapons or other nuclear explosive devices;

THEREFORE, we call on the United States to lead a global effort to prevent nuclear war by:

- Renouncing the option of using nuclear weapons first
- Ending the sole, unchecked authority of any president to launch a nuclear attack
- Taking United States nuclear weapons off hair-trigger alert
- Cancelling the plan to replace its entire arsenal with enhanced weapons
- Actively pursuing a verifiable agreement among nuclear-armed nations to eliminate their nuclear arsenals

To transact any other business which may legally come before this meeting.
